

Milestone Report

Project Title: The Tangled Oak Website

Aime Reilly

Milestone #	7	Planned Date	21 March	Actual Date	21 March
Milestone Description	Work on styles and complete everything that not done				
Artifact description	<p>Complete and finalize the styles.css</p> <p>Finalize any code and get ready for testing.</p> <p>Video added to show working site with styles adjusted. Decided to link the shop pages directly to the square site that is already working. Each link on the sidebar goes to it's corresponding category.</p>				
Project Plan Implications	<p>I completed the pages on time with the workaround of not setting up the checkout per item and linking to them instead. Styles could always use some adjusting. Next up is Testing(Milestone 8) and making notes of what needs to be fixed for Milestone 9 and then Milestone 10 is the final product.</p>
